**Extent:** 2 photographs.

**Biographical history:** Marion Carter was born in 1928 in Frosty Hollow, New Brunswick (just outside of Sackville), the first of three daughters. She lived on her family's farm until she moved to Kirk Street in Sackville, New Brunswick on October 31, 1988. She attended Frosty Hollow School until grade 8, after which she attended Allison High School in Sackville. After graduation, Marion attended the Secretarial program at Mount Allison's Commercial College. Upon completion, on June 28th, 1945, she began working as a secretary in payroll and purchasing under President Frederick Fisher at the Enterprise Foundry in Sackville, New Brunswick. Marion eventually headed this department. In 1976, she became head of the Personnel Department which had originally been handled by the Payroll department. Marion worked with many personnel at the foundry over her career (which at its height had over 400 employees) and due to the nature of her positions she knew all of the employee's names. Her duties included sitting in on the negotiations of contracts between the foundry's lawyer and the union leaders. When the Enterprise Foundry went into receivership for the second time in 1983, she went to work at Lockwood for the last ten years of her career and retired in 1993.

**Custodial history:** Marion Carter donated these photos to members of the Tantramar Heritage Trust who interviewed her for the Sackville Foundries Oral History project on September 24, 2020.

**Scope and content:** Fonds relates to the women and a few men who worked in the administrative offices at the Enterprise Foundry in Sackville, New Brunswick in 1946 and 1950. Fonds consists of two photographs, for which the donor has identified everyone on verso. The photographs consist of Enterprise employees standing in front of the foundry and at a picnic at Mrs. D.S.
