Summary information

Repository:	Charlotte County Archives
Title:	"Notices to Mariners for Foreign-Going Ships Monthly Summary"
Reference code:	MC 896
Date:	1929-1930 (date of creation)
Language:	English
Physical description:	2.5cm of Textual Records

Scope and content

This collection contains books which were published monthly titled “Notices to Mariners for Foreign-Going Ships Monthly Summary”. These were publications meant to inform sailors voyaging to foreign ports from London about important recent developments in the world of navigation, such as changes happening at foreign ports, potential hazards, and new navigation charts and books which have been published.

Notes

Title notes

Physical condition

Fair. While still completely legible, the paper for these volumes is becoming very brittle and faded.

Collection holdings

Series: MC 896-MS1 - Notices from 1929-1930

Title: Notices from 1929-1930

Reference code: MC 896-MS1

Date: 1929-1930 (date of creation)

Scope and content:

This series contains copies of "Notices to Mariners for Foreign-Going Ships Monthly Summary, London" for October 1st 1929, November 1st 1929, and two copies of the February 1st 1930 issue. These books contain news and notices relevant to mariners leaving London's ports, such as time zone changes, information on radio stations and beacons at foreign ports, weather bulletins and storm warnings, derelicts and other obstructions dangerous to navigation that have been reported, charts of rivers, channels, and coastal areas, changes and developments in port construction, and lists of new books on navigation and charts that have been published.

Note [generalNote]:
